

**REMARKS**

Applicants gratefully acknowledge the Examiner's statement that claims 1, 2, 17-27 and 29-39 contain allowable subject matter. Claims 1 and 2 have been amended to correct certain informalities. Claims 1, 2, 17-27 and 29-39 remain pending in this application. Applicants reserve the right to pursue the original and any other claims in this and in other applications.

Claim 1 stands objected to based on certain informalities. Applicants have amended the claim to address the concerns of the Office Action. As requested by the Office Action, the word "with" has been added into line 13 of the claim and the language of line 12 has been amended to recite "one of the prior acquired images." Thus, Applicants respectfully request that the objection be reconsidered and withdrawn. Additionally, claim 2 has been amended to delete an unnecessary "a" from the claim language.

In view of the above amendment, Applicants believe the pending application is in immediate condition for allowance.

Respectfully submitted,
